Please see the attached for a copy of the disapproval letter that DEMLR staff hope to send this afternoon. This letter addresses only the plan that was submitted to the Fayetteville Regional Office. Staff with the Raleigh Regional Office are drafting a separate disapproval letter for the plan that was submitted to them. I will forward that letter as soon as I receive it.

Hi All,

Please loop Bridget in on all internal ACP emails as she has been assigned the lead communication staff for the Department on this project.

Also, please copy her on the ADI, Disapproval and Approval letters as well prior to our sending those documents to the responsible parties.

Thanks

Toby

**Subject:** ACP - Permits, reviews, letters of any kind (ADI, Approval, Disapproval)

Hi guys,

I just got off weekly ACP phone call with other Divisions and Sheila.

Per Sheila, going forward, let us (Tracy, Brad, Sheila and me) know at least two hours prior to acting on any permits or reviews on the ACP project. This includes:

1. Sending additional information request letters or emails,
2. E&SC Plan Approvals or Disapprovals,
3. SW Permit Approvals or actions

Also, email us (again, Tracy, Brad, Sheila and me) a copy of the letter that is to go out so that the administrations and PIOs have appropriate information.

Let me know if you have any questions.

Toby
